Why this course?

Tarbiyah Parenting Practitioner Course (TPPC) is giving you a roadmap to raising emotionally strong, confident, characterful and disciplined children in today's challenging digital world.

Most parents struggle not because they don't love their children, but because they lack the right strategies.

This course blends Quran & Sunnah, modern psychology, NLP, and MBTI to help you understand your child's mind, manage emotions, solve daily conflicts, and build a peaceful home.

In just 30 days, you will learn practical strategies, powerful mindset shifts, and real-life techniques that create lasting transformation for the whole family. This is the change your already parenting has been waiting for.
